LIVE SESSION EXPECTATIONS

Students will have a chance to meet with teachers each day during the live sessions. These live sessions will be held through Zoom. During this time, teachers will be explaining the expectations for the day. Students will have an opportunity to ask questions, receive help, and build relationships with both their teachers and classmates. Students should attend these sessions daily to keep in contact with teachers as well as make sure the learning outcomes are understood.

INDEPENDENT STUDY EXPECTATIONS

Hoquiam Middle School will be using Google Classroom to provide students with learning opportunities. Students should be logging into these classrooms daily. Teachers have established and discussed with students when assignments will be posted, as well as when these are due. Students can access these assignments not only during the scheduled independent study time, but also at times that work for your family. In each classroom, they will have access to instructional videos and activities to complete.
