

Driver Training And Responsibility

Obtaining and Updating Student Transportation Qualifications

In order to qualify to transport students in district vehicles with a seating capacity of ten or less for the purposes of athletics or activities, staff members must meet the following qualifications:

- A. Complete the defensive driving / motor pool orientation class given by the transportation department.
- B. Provide the transportation department with:
 - a. Copy of current Washington State drivers license.
 - b. Copy of current first aid card.
 - c. Copy of current 5 year driving abstract (from Department of Licensing)*.
 - d. Signed statement certifying good mental and physical health.

All records will be kept and maintained at the transportation department.

*A current abstract must be submitted annually to maintain certification.
